AstraZeneca vaccine available in the Laurentians  
**Vaccination with or without an appointment  
for people 45 and over**

**Saint-Jérôme, April 21, 2021** – Starting now, individuals aged 45 and over can receive the AstraZeneca vaccine without an appointment in our dedicated clinics. The location and schedule of these clinics is available on the CISSS des Laurentides website. People that are interested can also make an appointment online via the ClicSante website.

Please note that, with or without an appointment, the AstraZeneca vaccine is available at all our vaccination centres in the Laurentians, but at dedicated time slots. Also, we wish to remind you that the AstraZeneca vaccine is available only to those aged 45 and over. You must therefore be 45 years old at the time you get the vaccine (age will take precedence over year of birth).

**Vaccination clinics for AstraZeneca (without an appointment)**

The schedule for the next clinics for AstraZeneca vaccination will be available on the [www.santelaurentides.gouv.qc.ca](http://www.santelaurentides.gouv.qc.ca) website in the English/COVID vaccination section.
