COVID-19 vaccination in the Laurentians

Second dose of AstraZeneca vaccine **WITHOUT** an appointment

Saint-Jérôme, May 27, 2021 - Starting May 29, those interested in getting their second dose of the AstraZeneca vaccine earlier can go to one of our designated walk-in clinics. The location and schedules of these clinics can be found here . Individuals should meet the following criteria:

- Be 45 years old and over
- Have received the 1st dose of Astrazeneca or Covishield vaccine at least 8 weeks ago
- Not be immunosuppressed
